Edit / reassign ASG-001

Change task details or reassign to another eligible Field Worker · Riverbend Tea Estate (EST-002)

Cancel

1 · Location

Estate

EST-002 · Riverbend Tea Estate — Your scope

Division

DIV-004 · Riverbank | **DIV-005 · East Hills** | DIV-006 · West Terrace

2 · Field Worker

Only Field Workers with active scope on the selected division are eligible (scope is managed by an Administrator in Identity).

- **Hiruni Nadeesha · USR-009** — Field worker · Scope: DIV-004, DIV-005 — Current · eligible
- Ravindu Kumara · USR-010 — Field worker · Scope: DIV-006 only — Not in DIV-005 scope

Reassignment unavailable: no other Field Worker has DIV-005 scope. An Administrator must grant scope in Identity first. Ineligible workers cannot be selected.

3 · Task

Title

Inspect East Hills block C for suspected blight

Instructions

Inspect the reported leaf discolouration in East Hills block C. Photograph affected leaves from three angles and submit one observation per distinct area. Record location at division level only.

Priority

Low | Medium | **High**

Due date

16 Oct 2026

Reason for change (required)

Task details clarified after site walk

Assignment summary

ID	ASG-001
Status	Assigned
Estate	EST-002 Riverbend
Division	DIV-005 East Hills
Field Worker	Hiruni Nadeesha
Priority	High
Due date	16 Oct 2026
Created by	Malini Fernando (USR-003)

How this works

- Assigned tasks appear in the Field Worker's mobile app.
- Field work is captured and submitted in the mobile app, not on the web.
- Submitting does not complete the task: you accept it after reviewing the evidence.
- Observations stay linked through Estate → Division only.
